## **Sensenbrenner Statement on Senate's Passage of REAL ID Legislation**

### ***Measure Now Goes to President Bush for His Signature***

WASHINGTON, D.C. – House Judiciary Committee Chairman F. James Sensenbrenner, Jr. (R-Wis.), the author of the REAL ID Act (H.R. 418), issued the following statement following today's Senate passage of the supplemental appropriations conference report that included the REAL ID Act:

“The REAL ID is vital to preventing foreign terrorists from hiding in plain sight while conducting their operations and planning attacks. By targeting terrorist travel, the REAL ID will assist in our War on Terror efforts to disrupt terrorist operations and help secure our borders.

“I am grateful for the White House's strong support of this border security legislation. In addition, Senators Frist, McConnell, Santorum, Specter, Kyl, Sessions, Brownback, DeWine, and Cornyn were among those very helpful in shepherding this legislation through the Senate and I wish to thank them.”
